

**COMPREHENSIVE COVERAGE
ENSURES YOU HAVE THE
PROTECTION YOU NEED FAR BEYOND
THE ORIGINAL WARRANTY PERIOD.**

●●●● **SUPREME**

5,000+ Components Covered **EXCLUSIONARY COVERAGE**

EXCLUSIONARY COVERAGE ●

Covers all components not specifically excluded.

EXCLUDED COMPONENTS

Manual clutch assembly, including pilot bearing assembly, throw out bearing, clutch engagement arm and pivot, clutch disc, and pressure plate, glow plugs, battery cables, battery case and mounting hardware, plug-in outlets, plug-in cable, trickle charger cable, hydrogen cell fuel stack, all filters, coolants and fluids (unless in conjunction with a covered repair), PVC valves, spark plugs, plug wires, EGR valve, exhaust pipes, emission components, catalytic converters, mufflers, resonators, shock absorbers, weather strips, metal trim, plastic trim, carpet, cup holders, vinyl and convertible tops, convertible frame and mechanism, sunroof track and mechanism, safety

ADDITIONAL BENEFITS

ROADSIDE ASSISTANCE

\$100/OCCURRENCE

Lockout, fuel delivery, jump-start, tire change, and towing.

TRIP INTERRUPTION

**\$90/DAY, UP TO 3
DAYS/CLAIM**

RENTAL COVERAGE

**\$40/DAY, UP TO 8
DAYS/CLAIM**

restraint systems or any part thereof, brake drums, brake rotors, solar powered devices, glass, lenses, headlamp assemblies, LED assemblies, ballasts, H.I.L.E.D. cooling systems, body parts and/or body panels, broken glass, trim, moldings, tires, wheels, upholstery, paint, bright metal work, worn or carbon fouled piston rings, burnt valves, electronic device software, or non-factory installed, non-dealer installed, and non-OEM systems, including, without limitation, audio, navigation, remote start, security systems, speakers, antennas, cellular phones, satellite components, video components, guidance systems, personal computers, and phone systems. Brake pads, shoes, wiper blades, wiper arms, batteries, drive belts, rubber hoses, sealed beams, fuses, xenon lighting systems, and light bulbs. Tire balance or wheel alignment (unless in conjunction with a covered repair).

OPTIONAL COVERAGE

MOBILITY COVERAGE

Covers the additional components listed below (*components must be installed by a licensed mobility van converter*):

DOOR OPENING & CLOSING SYSTEMS

Motor/clutch assembly, side door lower track liner, door cables, rear hinge, door latch, solenoid, door lock contacts, electric clutch assembly, optic sensor, pulleys, seat base pretensioner switch, and door operator control arm.

ELECTRICAL SYSTEM

Power wheelchair tie down, power seat base, limit switches, control module, delay switch, relays, circuit breakers, wiring harness, and remote transmitter/receiver (excluding batteries).

FUEL SYSTEM

Filler neck hose and fuel filler neck.

KNEEL SYSTEM

Dust boot for chain, actuator, torsion spring, actuator chain, and limit switches.

RAMP SYSTEM

Optic sensor, ramp motor, timing belt, mag switch, drive screws, ramp release cable assembly, limit switch, releasing ½ nut assembly, gate latch release assembly, large ½ gear, motor/clutch assembly, ramp bearing, ramp cable assembly, lift arm, and ramp hinge.

LIFT SYSTEM

Limit switches, hydraulic pump, hydraulic pressure hoses and seals, motor/clutch assembly, and solenoid.

ADDITIONAL SUSPENSION COVERAGE

Panhard bar, track bar, suspension bumpers, leaf springs, leaf spring shackles and hardware, load assist shocks, load assist springs, and coil springs.

TRANSPORTATION

Covers the vehicle when used for transporting mobility passengers for hire.
